DOD: 10-3-12		<b>HOLLY FOLEY</b> , Beneficiary, is Petitioner.	<b>NEEDS/PROBLEMS/COMMENTS:</b>  1. Petitioner states Fresno County is the proper venue pursuant to Probate Code §17005 (a)(1) (principal place of administration); however, the current trustee, Victoria Howard, resides in <u>Red Oak, Iowa</u> , and the most recent former trustee, Vaughn Haward, resides in <u>Omaha, Nebraska</u> . Need clarification as to how Fresno County, CA, is the proper venue for this petition.  2. Petitioner provides the names and addresses of the beneficiaries, but does not state if these are all of the people <u>entitled to notice</u> pursuant to Probate Code §17201. Need clarification.  3. Petitioner mentions receipt of an inventory from the "Trustee's <u>former</u> legal counsel." Pursuant to Probate Code §1214, if the trustee is currently represented, notice is required to be served on the attorney, and Probate Code §17203 requires 30 days' notice.  The Court may require clarification as to how Petitioner knows that the trustee is no longer represented by the attorney who provided the inventory, and may require continuance for notice to the attorney for the trustee, if any.  <u>Note:</u> The trust and amendments were prepared by Attorney Gilbert B. Fleming of Fresno, CA. Is this the attorney that served the inventory? If so, is this the basis for venue in Fresno?
		<b>Petitioner states</b> the trust was created 3-29-05 by Virginia Howard as Settlor and Trustee and amended and restated in its entirety on 7-4-11, and amended again on 8-12-11. Petitioner is informed and believes that <b>VICTORIA HOWARD</b> is currently the sole trustee, <b>VAUGHN HOWARD</b> having resigned on or about 6-23-14.	
	Aff.Sub.Wit.	Petitioner states Virginia Howard died 10-3-12. Petitioner alleges the value of the trust at her death was over \$600,000.00.	
✓	Verified		
	Inventory	On 5-16-14, Petitioner, through counsel, made a written request for an account of the trust. On 5-28-14, following the sale of certain real property owned by the trust, Petitioner again requested a full and complete account of the remaining assets. Petitioner is entitled to receive an account per Probate Code §16062.	
	PTC		
	Not.Cred.	On or about 4-15-13, Petitioner received an inventory of trust assets from the trustee's former legal counsel, but has not received anything since that date. More than 60 days have elapsed since Petitioner's written request for a full account; therefore, this petition is appropriate under Probate Code §17200(b) and Petitioner requests an order of this Court instructing the trustee to deliver an account of the transactions of the trust to Petitioner.

		<b>DEBRA PASLEY</b> , Mother, was appointed as Conservator of the Person and Estate on 2-1-13 with bond of \$15,000.00.	<b>NEEDS/PROBLEMS/COMMENTS:</b>  <b>Note:</b> On 2-5-14, the Court granted the Conservator's petition to fix the conservatee's residence outside the State of California (to Virginia) and set a status hearing for the filing of a conservatorship or its equivalent in Virginia for 3-28-14.  On 3-28-14, the Court was informed that the Conservator is seeking employment in a number of other states, and is waiting to establish conservatorship until she obtains employment and moves on a permanent basis. **Objection to Guardianship filed by MARIO DEAN VICKS, JR. on 5/15/2014 states:**

- The Petitioners state that he hasn't been in Mario's life when Mario was a baby;
- That is not true; he was there before he was born and after, doing the best that a young father could do;
- He admits that he had a drawback of immaturity when Mario was about 6 months and he wasn't acting responsible for his son, but after he did snap back into reality he started to make efforts to be in his son's life, and so far he has been to every one of Mario's birthdays and he had him for almost every holiday since Mario was a baby;
- Mario has also been spending time with him on the weekends, and with his other siblings as well;
- He is the best choice of who Mario should be with, and he believes every child should have their parents in their lives because he knows exactly what it's like not to have both;
- When he was around the same age as Mario, he was in foster care so when that incident happened to his son and he found out that Mario was taken from his mother by CPS and put in a foster home, it took him back and for him all he can remember is wanting his parents, so he knows what Mario must have been going through;
- He knows he would be best with him and his fiancé, who he has been with for 4 years and who has been very supportive in making sure his kids were in his life and him in theirs;
- When Mario is with he and his fiancé, Mario is in a stable home and is safe with his 2 step sisters and blood-related baby sister, with his own room and every else a kid should have;
- With his family's support, he has become a very well-respected father to his kids, including his 2 wonderful step-girls he has raised since they were 2 years and 8 months;
- Mainly because of the girls, he has become a better father towards his own over the years;
- Mario knows him and loves him, and he knows Mario does love and adore his grandparents, but he thinks the responsibility of raising Mario goes to him as Mario's parent unless evidence proves that both of them are unable to do so;
- He is very able to care for Mario and he and his fiancé do everything as a family, even when they want to go out by themselves they always bring their kids with them;
- He and his fiancé live in a housing program allowing them to have an affordable 3 bedroom apartment, and the in the program they both attend couple's counseling, parenting classes, and group classes; the program advisors also check on them twice a month with in-home visits and the apartment is a gated community with security cameras making it a safe environment for them;
- He and his fiancé buy Mario clothes, and made sure he had asthma medicine and got to the doctor when neither his grandparents or mother could;
- He hopes that his statements will show that he is qualified to be a good father and that he is the one that Mario should be with; the thanks the Court for its consideration of him
- Petitioner attached photos and 4 letters of character reference for the Court's consideration, including from Turning Point of Central California.

**Objection to Guardianship filed by KIMYA CLEVELAND, paternal grandmother, on 5/15/2014 states** Mario should be raised by his father rather than his grandparents; his father is a responsible parent and there is no reason why Mario should not be with his father if his mother is unable to care for him.

**Petitioners filed on 5/19/2014 a Declaration** describing the events that took place with Mario after the Petitioners finally obtained custody of him on 5/9/2014 with their temporary Letters [granted ex parte], including Mario having severe throat pain and Petitioner taking him to the hospital on 5/10/2014 and his diagnosis was strep throat and Scarlet Fever; Mario telling Petitioners that his mother was dead and demonstrating as if someone was swinging and fighting to show them how she was killed; telling Petitioners that his mother was "a boy" and that the woman [Dominique Jetton] who his mother lives with told him not to eat any food at Petitioner's home; telling Petitioners that his mother made a dog lick his private parts and that his mother hurt him and his not his friend; and that his mother left him with the same man called "Uncle Pops" who had molested him and put a knife up to Mario and told him to "stay with your mama" and Mario was very frightened. Petitioners would like the Court to know these things that happened to Mario after CPS placed him back with his mother.
